Greetings,

My name is Jordan James Peterson. I recently attempted to submit a formal request for judicial oversight to the Office of the Court Administrator (oca@judiciary.gov.ph), but my message was rejected with the following error:

> 550 5.7.193 – The group does not accept messages from external senders.

I am now respectfully requesting guidance on how to properly submit this oversight request.

Specifically, I ask:

1. Is there a publicly accessible email address for the Office of the Court Administrator that accepts communications from individuals outside your organization?
2. Alternatively, may my email address (justice4adri@gmail.com) be temporarily added as a guest member to allow submission of my formal inquiry?

The nature of my request involves possible attorney misconduct and procedural circumvention affecting parental rights via Barangay Protection Orders. I believe this matter warrants proper judicial review.

For reference, I have attached a copy of the relevant sworn BPO statement in which the party involved admits that a lawyer advised her to use the BPO process strategically.

The original statement (in Bisaya) reads:

"Mag-advise ang abegado nga ipa-extend ang BPO, arun ma-aware ko ug dag bata."

Translated to English:

"My lawyer advised me to extend the BPO so I could gain awareness or control of the child."

Thank you for your time. I look forward to your guidance.

Sincerely,

Jordan James Peterson
